

SOCIOGENOMICS & POLYGENIC SCORES

A PDHP workshop conducted by

Erin Ware
ISR PNG

Ben Domingue
Stanford

Topics include:

- *Recent history of sociogenomics*
- *A novel approach for examining gene-by-environment interactions*
- *Hands-on introduction to high-performance computing and genetic data types*
- *Computation of polygenic scores using PRSice2 software*

March 16, 2021

1 pm-5 pm via Zoom
