

RECENT ADVANCES IN DIFFERENCE-IN-DIFFERENCES

A PDHP workshop conducted by

Jonathan Roth
Brown University

Topics include:

- Overview of the current state-of-the-art in DiD
- Advantages and limitations of testing for pre-trends
- New tools for settings where assumption of parallel trends may be violated
- Coding exercises applying these new tools in R & Stata

July 28, 2023

9 am-1 pm via Zoom
